### PREPARATION AND INSTRUCTIONS

These instructions are **IMPORTANT**. Please follow them carefully.

Please arrive **10 MINUTES PRIOR** to your appointment for registration. **LATE** arrival may require rebooking.

Please bring your valid **ONTARIO HEALTH CARD (OHIP)** to each appointment, along with this requisition.

### ULTRASOUND

- **ABDOMEN (includes studies of the GALL BLADDER, PANCREAS, SPLEEN, LIVER, KIDNEYS and AORTA)**  
Morning (before 1pm): No solid foods or liquids after midnight. You are required to have an empty stomach.  
Afternoon (at or after 1pm): You may eat a light breakfast (*dry toast, black tea or coffee, juice*) before 8:00am. No dairy products. Do not eat lunch as you are required to have an empty stomach.
- **PELVIS and OBSTETRICAL including TRANSVAGINAL (UTERUS, OVARIES, BLADDER) (also G.U. TRACT)**  
Complete drinking 32oz/1 litre (4 glasses) of fluids **1 hour before your appointment** (finish by \_\_\_\_\_).  
**Do NOT go to the washroom.** We will examine you as soon as possible. You may eat regularly.
- **ABDOMEN and PELVIS**  
Preparation same as ABDOMEN. Also, complete drinking 32oz/1 litre (4 glasses) of water **1 hour before your appointment**.  
**Do NOT go to the washroom.**

### X-RAY

Persons who may be pregnant should **NOT** be x-rayed during the last two weeks of their menstrual cycle.

### MAMMOGRAPHY

On day of examination: after showering do **NOT** use deodorant, antiperspirant, or talcum powder on chest or underarms as these particles may show up on mammogram.

### BONE MINERAL DENSITY

On the day of examination: do **NOT** take calcium supplements or iron tablets until after the examination is completed.

This requisition form can be taken to any licensed facility providing health care services including hospitals accepting community referrals and community surgical and diagnostic centres, such as those listed on the website:

<https://www.ontario.ca/page/community-surgical-and-diagnostic-centres#section-1>
